Programming Assignment 1

```
[$ c++ -o DrawHollowDiamond DrawHollowDiamond.cpp
[$ c++ -o DrawHollowOctagon  DrawHollowOctagon.cpp
[$ ./DrawHollowDiamond
              *
            *   *
          *       *
        *           *
       *             *
      *               *
       *             *
        *           *
          *       *
            *   *
              *
[$ ./DrawHollowOctagon
            *****
          *        *
        *            *
       *              *
      *                *
      *                *
      *                *
      *                *
      *                *
        *            *
          *        *
            *    *
            *****
   _
```

Programming Journal

1. Everything worked.

2. Nothing didn't work.

3. I didn't need help with anything.

4. I learned how to follow instructions for the programming assignment.
